Mr. William G. Miller
Staff Director
Select Committee to Study Governmental
Operations with Respect to Intelligence Activities
United States Senate
Washington, D. C. 20510

Dear Bill:

In response to Senator Church's request of 27 May 1975, we are making available to your staff documents referred to in I. A. 1., II, and III.

Because of significant involvement of the Third Agency Rule, it would greatly facilitate the process if your staff could research these documents here and identify which ones should be cleared with the agencies involved for actual transmittal to the Committee.

With reference to the other items of the request, Hank Knoche has agreed to handle I. A. 2. through I. A. 8. and I have alerted Brent Scowcroft to the requests covered in I. C. Since Secretary Schlesinger received a copy of the request, I assume you are in contact with the appropriate elements in DoD who will respond to I. B.
